

Information point for foreigners

2020-06-30

Information point for foreigners is the place where every foreigner, who lives in Krakow will get the information he needs. Batorego 2 - is also a space for integration and implementation of projects for foreigners.

The project is financed by Municipality of Krakow.

The IP provides information in the following fields:

- legal regulations;
- functioning of the social security system and access to health care;
- access to the labour market, improvement of qualifications;
- obtaining social assistance, housing and social benefits;
- education of children and adults, including the Polish language;
- access to culture;
- administrative procedures related to everyday operations in the local environment;
- consumer rights.

The IP provides information in Polish, English, Ukrainian, Russian, and, after prior agreement, in other languages (Spanish, Arabic).
